We recognize the uniqueness of the transition from childhood to adolescence in a rapidly changing world. We will endeavor to provide an environment where students can develop RESPECT, PRIDE, COOPERATION, and INDIVIDUAL POTENTIAL through the realization that risk-taking and mistakes are parts of the life-long process of learning.

Accessibility for all students is a core principle of Smarter Balanced. For students with special needs or those learning English, Smarter Balanced assessments have been designed so that any student can participate and demonstrate what they know in a way that can be accurately measured.

Smarter Balanced: More than Just a Test

This page is a collection of links for parents and teachers. Topics are based on the curriculum for Kindergarten through grade five, although many pages will be of interest to older students. This page also includes a list of publishers and software companies.
